

Three Basic Rights

Starting a job? Here's what you've got to know.

3 essential rights you should know as a worker:

The Right to Know

How?

See something you think may be unsafe?

Ask your manager about it!

The Right to Participate

How?

Want to make a difference?

Join your company's Joint Health and Safety Committee.

The Right to Refuse Unsafe Work

How?

Think something that you're about to do is unsafe?

**Say something to your supervisor right away.
If you need some additional support, ask a
representative of your company's Joint Health
& Safety Committee.**
